Chicken soup is a universally cherished comfort food made by simmering chicken, often whole or skinned, in water or broth, resulting in a savory, nourishing liquid.

A salad is a versatile dish typically made of mixed, small pieces of food, which are often raw or chilled. It usually combines a base of vegetables, fruits, or grains with a flavorful dressing, and can be served as an appetizer, side, or main course.

DYNAMITE SPECIAL

Dynamite prawns are a popular Asian-fusion appetizer consisting of crispy, battered, and deep-fried prawns coated in a creamy, tangy, and spicy mayo-based sauce. Known for a "flavor explosion," the dish balances crunchy fried texture with a savory sauce typically made of mayonnaise, sriracha, sweet chili sauce, and a hint of honey.
